Chapter 1 - One Year

1 - One Year

How a year can change
A person from so care free
To uptight and busy
From childhood to teenage
From boys who are just friends
To dating and boy friends
Every day with the girls
Goes to once a month with the girl
To busy to call
To busy to write
Pigtails to ponytails
Dresses to mini skirts
Make up, new crushes now
Rumors going around
Getting left behind
Forgetting your best friends
Friend one day, enemy next
New teachers, new rules
Responsibilities and all that shoot
But what does that year really do
Break the best of friends up
One year changes everything.
