1 - Always And Never

Higurashi no Naku Koro ni- Always and Never

A/N: My first attempt at writing anything besides Bleach or Full Metal Alchemist... I don't think the plots very good either, but you can deal with it. And the song sort of fits with this, I'm not really sure.

Disclaimer: Don't own Higurashi no Naku Koro ni or the song Always and Never

Summary: Shion muses on why Satoshi left, before she finds out her distinction wasn't for Satoshi.
Shion's POV

Pairing: Shion x Satoshi

If Beauty sits the child's kiss
Of laughter I amend
Can you catch her if she runs?
With this I would share with you
All of this count to no end

I lay down on my bed, crying. I knew I would cry myself to sleep like a newborn baby, as I had the past month. Why Satoshi? I had shown my distinction hadn't I? Oni-baba said she would think about it if I had shown my distinction, and I did. I did it for you, Satoshi. Why did you have to go? Why didn't they take me with you?

Behind your sealed eyes you miss
All that I've done for you
Will you catch me when I run?
If timing plays evident
What would you say when you're late?

Do you really miss me, Satoshi? Where ever you are, do you think of me? I loved you, why did you have to go? I'm thinking about killing everyone who hurt you, who demeaned you away. What would you say if you were here? Would you comfort me?

Stay with me and fall asleep
Pray to God for no bad dreams

I'm scared, Satoshi. I really am. Why couldn't you stay here with me? Why cant I fall asleep every night in your arms? That's how it was supposed to be.

Here... I'm still waiting here, my dear

For one kiss from you
So Here... I'm still waiting here, my dear
To kill all of you
To kill all of you

I'm waiting for you, Satoshi. I'm waiting for you to come back; for one kiss from you. I'm waiting for the right moment to get revenge on you.

Do not worry; I will kill everyone who demeaned you away.

A/N: So was it good? Bad? I personally don't like it very much, but some plot bunnies don't leave me alone, and unfortunately, this was one of them. The plot bunny is still alive, but I put it in a cage, so it shouldn't make me write anything else this bad. PLEASE REVIEW!!!! Btw, constructive criticism makes me very happy.
