1 - Bite + Aftermath

Chapter 1: Bite

Inuyasha screamed in pain as Sesshomaru inserted Tokijin into his stomach. He fell to the cold hard ground with a thud. His vision started to blur as he fell into the darkness.

INUYAHSA!! Kagome screamed. She ran over and punched Sesshomaru in the face. Oops maybe that wasn't such a good idea. She thought.

You foolish girl. How dare you punch me the great Lord Sesshomaru. Leave this battle now or I shall kill you like I killed that half bre-. Sesshomaru was cut off.

Don t lie big brother. You know you could never kill me. Inuyasha said.

Sesshomaru turned to see Inuyasha standing and smirking at him. You stupid half breed. Letting your demon blood take over. I m gone. And with that Sesshomaru left them alone.

Inuyasha. Please get Tetsiga and become yourself again. Kagome told him.

Inuyasha walked up to her. Kagome.

Kagome fell back onto the ground. She knew as well as anyone that this Inuyasha wasn't the one she loved but a killing machine. What are you doing? She asked as Inuyasha fell to the ground with her.

Kagome. Inuyasha said again. All of a sudden he grabbed her wrists and pinned her on the ground with him on top of her. Help me. He placed his lips on hers as she struggled to brake free from his grasp. He moved down to her neck licking and nipping at it until he finally bit down breaking her soft skin. He pulled away licking the blood off his lips.

Inuyasha! Stop! three familiar voices yelled.

HELP Kagome screamed as she pushed him and grabbed her blood-covered neck.

Miroku hit Inuyasha hard over the head with his staff and he fell to the ground. Kagome! Are you ok?
Miroku asked.

Miroku get his sword quickly! Kagome yelled.

Miroku went and grabbed his sword and put it in its sheath. Want me to carry you home? Miroku asked in a calm voice followed by a hit in the head by Sango.

Stupid monk will you ever learn Sango yelled as she grabbed Kagome s arm to help her stand. You can carry Inuyasha PERVERT! After the yelling subsided they walked back to the little cabin they had been staying in.

Chapter 2: Aftermath

Kagome woke up not knowing where she was. And then she remembered. Inuyasha turned demon and attacked me. BAKA! But wait it wasn't Inuyasha's fault. It was Sesshomaru's. I hate him I hope Inuyasha defeats him and makes him eat dirt. Kagome's thoughts were interrupted by a grunt. She looked and saw Inuyasha sit up.

Kagome what the hell happened? Inuyasha asked in pain. He looked at her and saw she was pretty beat up. I did that to you didn't I? he said looking at the ground.

No it was that monster not you. You would never do this to me. Kagome yelled. I have to tell you something but I don't know if I can.

What is it Kagome? You can tell me. Inuyasha asked.

Ummm& well I think what if I can't tell him how I truly feel about him. Inuyasha&
ITHINKI MINLOVEWITHYOU! She yelled so fast she couldn't even understand it. Inuyasha looked
confused I think I'm in love with you then she got up and ran.

KAGOME Inuyasha yelled. He tried to stand but the pain was too much. He sighed guess I have to
wait until she returns. Then he layed down and fell asleep.

2 - Suicide

Chapter 3: Suicide

Kagome didn't understand why she had run away. She fell to the ground after feeling light headed. Why did I run? I finally told him and I ran. Maybe he doesn't feel the same way I do. Then thank god I didn't stay. I mean he's still in love with Kikyo. (1_lover_of_the_fluff come and interrupts Kagome's thoughts Die dog die. Kill Kikyo, Kagome. Kill her I say. Oh and have a nice day :D.) As I was thinking before I was rudely interrupted I wish Inuyasha had never made me feel this way. I want to die! Kagome looked around hoping to find something to put her out of her misery, and there it was. A broken spear lying on the ground. She picked it up and jabbed it into her heart ending her life. Little did she know her life was far from over.

I know its short but the next chapter gets good.
