**Chapter 1 - My Love**

**2**

# 1 - My Love

Hello my love,

I'm sending this to you from above,

to tell you not to be sad,

it's my falt so don't be mad.

I just had enough,

I'm sorry I'm not that tough.

They wouldn't leave me alone

So I had to leave the zone.

I walked away from this life,

Even though it caused you strife.

I'm sorry I left without saying goodbye

But I knew you didn't want me to die.

So I'm watching you from above

Sending you my love,

And hoping your not mad,

Because your anger makes me sad.

THE END
