Slavic: Well, Well, Well! Seems that you need a new friend.

Drifter: And you are'

Slavic: I'm Slavic. Slavic the hedgehog!

Drifter: I'm Drifter. Drifter the Fox!

Slavic: Cool! Wait, are YOU Drifter'

Drifter: Frolixer' Yes!

Slavic: OMG OMG OMG!!!!!!

Drifter: What' Just because I am one of the leaders of Frolixer City doesn't mean you have to get hyped up about it.

Slavic: I'm looking for this person *Hands out photo*. Have you seen her'

Drifter: No. I have a feeling animus is behind this!

Slavic: Or maybe Eggman!

Slavic and Drifter: OR MAYBE BOTH!

Drifter: I found this in my room. Seems that these 2 things have a connection somehow.

Slavic: Not again! When will they ever stop taking her'

Drifter: Who's "Her"

Slavic: Emma. She's my Friend *Blushes*.

Drifter: LOVE IS IN THE AIR! DOO DOO DOO DOO DOO DOO!!!

Slavic: Me too! The eggman guards had the same ID. We were right about them working together!

Drifter: I wonder why...

Slavic: We will find out very soon...

Drifter: We will.

Slavic: Do you know which HQ they are in'

Drifter: Yes. They are in this one. Codename "Revelations".

Slavic: Great! You lead an attack on the soldiers and I'll rescue Emma!

Drifter: Got it!

Slavic: Great! I'll have to figure out the best strategy for it though. :/

Drifter: OK. Slavic, Just remember this: There are no friends, Only Allies and Rivals.

Slavic: I will, Drifter.

Drifter and Slavic: LET'S DO THIS!

Part 3:

The two had to plan very carefully and found something intriguing. But Slavic lets out a powerful secret to Drifter...

Drifter: SLAVIC! Look What I found!

Slavic: What is it'

Drifter: It's a paper. It is basically saying that Emma "Volunteered" for a life-changing experiment.

Slavic: This can't be good!

Drifter: It isn't! I'm not eating any tacos now...

Slavic: DRIFTER!

Drifter: Alright, Alright! I have CCTV Cameras all over Frolixer City anyway, so we can see what happened.

After Watching the footage

Drifter: So, She was lured in by a robot, eh' Those guys have nothing better to do, ain't I right Slavic'
Slavic'

Slavic: I have to show you something Drifter. You may not like it.

Drifter: I don't care about what it is, but as long as you are being truthful about it.

Slavic: *Lifts open glove*

Drifter: OMG. You're a robot!

Slavic: Not exactly. You see, I was created By Stalin, One of the most famous Soviet Russians. He created me out of flesh and steel. I was taught to love, care and to destroy my enemies. Some of the Capitalist Soldiers found him and killed him. They took me back to America and Examined me. They thought I was a threat and they threw me in a rocket and sent me to "Hell" as they called it.

Drifter: I don't care what you are, I only care about the fact that you are my friend, and friends stick together, don't they?

Slavic: They...They...They do!

Drifter: See! Having an open mind to things is all you need. Don't care about what you are, Just care about what people think of you.

Slavic: Thank you!

Drifter: NP. * ^ _ ^*

Slavic: So, What did you find?

Drifter: I found that she was being stalked by a metal you. About 5 of these pieces of footage show this. Turns out they lured her into a trap this way.

Slavic: Let's go!

Drifter: Wait!

Slavic: What?

Drifter: Remember the mission. Don't think about anything else.
