Chapter 1 -

2

1 -

you say you love me day to day

but then you tell me you love him more than me

and all my pain and misery seeks out and covers me

so now i follow on my own way to live on for another damn day

remeber when you were my life, what there was will never be

now am i blind or can i see, kiss me while im still alive

kill me while ill kiss the sky let me learn and let me live

let me die on my or terms
