Chapter 1 - If only you knew. . .

2

1 - If only you knew. . .

. . . .If I touch a burning candle, I could feel no pain. . .
if you cut me with a knife, its still the same. . .
and I know this heart of mine is beating
but I know that I am only dead to your eyes
but the pain that I feel tells me that its not real
but it seems that I still have some tears to shed
if only you knew how special you mean to me
then youd know this love for you I have
why do the feelings for you melt this dead heart?
Is this only a temporary state?
no the love I have for you burns all my sorrows
these sorrows cover these eyes, will you set me free
or will I just end as an empty soul
these thoughts...this soul...my soul
is empty without you
I think of you and even in my dreams your there
will the day ever come when I tell you the truth
or will it end as a sad, sad story?
And I still have these tears to shed....
my heart and soul weep for you
