TTS: Ello! welcome to meh new fic!!

Tala: Nah -runs off with Kai-

TTS: -sighs- anyway this is my new fic enjoy - runs after them-

A girl groaned as her alarm clock went off "dang alarm clock" the girl muttered and sat up in her bed. She has shoulder length amber hair with red tips. She was wearing a dark blue tank top, and black silky sleeping pants. A boy with silver shoulder length hair, with a black and white backwards hat walked in to her room. He was wearing a black long sleeved shirt with rips and tears in it, and black baggy pants. "get up Rika you have to go to your *NEW* school today" he said and smirked. He turned around and started to walk out the door and dodged an alarm clock. He snickered "just get up Rika or i'm leavin' ya here" he said and walked down the stairs "Whatever Riku!!" rika yelled back at her brother. ((A/N: just think of Riku from Kingdom Hearts for....Riku))

Rika stood up and got dressed. She had a red tank top with black baggy shirts, and black vans. Then she heard the front door slam closed and she ran to her open window and saw a bright red Mustang and growled as her brother ran to the passenger side and opened the door and got in. Rika glared at the driver. He had slate hair in front and dark royal blue in the back his name Kai Hiwatari. Kai smirked at her and sped out of the driveway and took off down the street " DAMMIT HIWATARI!!!" rika yelled and ran out of her room and hopped down the stairs. She looked at the clock and muttered things under her breath. She grabbed her keys and hopped on her black and silver bike and took off down the road. Rika sighed as she rode in to the school parking lot and got off her bike. She started walking up the stairs and down the hall to the front office. She walked in "Hi i'm the new student Rika Ishtar" rika said. "ahhh.....Ms. Ishtar here's your schedule and locker number" said the lady. Rika took it and started looking for her locker

'256.....268.....Ah Ha! 280!!' rika said in her head and opened her locker and started putting things in it and taping pictures to it mostly anime pictures. "Rika?!" said a voice and rika turned around " Riley!!!" she said and hugged her best friend " what are you doing here?" said riley "long story short i got expelled thanks to a certain red head which i'm not gonna name" Rika said. Riley started laughing " Tala got ya expelled?!!" she said. "sadly yes BUT!!! he got expelled too!!" she said and smiled. Then leaned against her locker. riley started laughing again."well i hate to tell ya this but Tala goes to this school now" a voice said. "greaaaaaat" Rika said and rolled her eyes "sup jason?" rika said to the boy leaning against his locker across the hall. jason had long shoulder length dark blue hair, heavy eyeliner, black shirt with rips in it, black baggy pants with some chains, and black shoes. "nothin' much just came to see the new kid but it's a surprise it's you" he said "whatever J" said riley and the bell rang. "hey what's your schedule?" ask riley and took it. Jason walked over and took it from Riley "HEY!!!" she yelled at him "shut up" he said and looked over rika's schedule "HA!! you have to take some classes as me!!" he said and grinned and handed the schedule to rika. Rika sighed "hey rika be careful my bro's an idiot" riley whispered to rika and rika snickered. ((A/N: Jason is Riley's older brother he's 19, Riley's 17, Rika is 18, and her brother Rika is 19. Kai and them are 19 and 18.... Kai and Tala being 19 and some of the others 18))

Rika's POV

"Anyone seen my Brother?" I said and looked around. Riley nodded "he's with Kai and Tala in Math" she said "and guess what?" Jason said. I sighed and said "what?" Jason grinned again "they're in your first per. MATH!!" he said and laughed I sighed again *greaaaaaaaaaat just what i need a stupid red hair, an anti-socail Prick, AND a cocky brother* i thought to my self as me and Jason walked in to class. I looked around the room as Jason handed something to the Teacher. I noticed someone glaring at me and a looked at him and muttered "stupid tala" Teacher smiled at me "Class can i have your attention! we have a new student to day and her name is Rika!!" said the teacher I believe her name was Ms. fink or something like that. "Please tell us about your self" said ms. fink. I sighed " I'm Rika Ishtar...I'm 18....and....." i looked around the room and found the stupid red head that got expelled with me....Tala Ivanov "I'm gonna kill a certain red head" i muttered. "umm...ok please go sit by Kai" Ms. Fink said and I walked over the kai and sat down. *This is gonna be a loooooong school year* I thought and sighed.

Tala's POV

I watched a girl with shoulder length amber hair with red tips walk in to my Math class 'hmmm....she's cute' "Class we have a new student today her name's Rika"said Ms.Fink 'I think i know her....' "I'm Rika Ishtar, I'm 18 and..." she said as she looked around the room and looked at...me!? 'Wha-?! why is she looking at me!!' Rika muttered something. Kill....Certain....Red Head??....well i'm the only...red...head...SHE'S TALKING ABOUT ME!!! whoa wait did she say Ishtar....AHH!!! she' the one that got expelled with me!!!!' i thought...err...freaked out?...umm what ever. I turned and looked at her cause she was sitting behind me.

Normal POV

Rika stuck her tongue out at Tala "i remember you except you have different color hair...." he said "woow! i did? i didn't notice!!" she said sarcastically. "Sarcastic dog" he muttered "dumbass red head..." she muttered back. "Rika....shut up" said her brother Riku which sat behind her. "nah i don't wanna or have to" rika said Riku sighed and Tala shook his head. (A/N: i'm fast forwarding to 3rd per. and yes in this High school they have Periods. ^^)

P.E!

Rika sighed as she walked into the girls locker rooms to put up her stuff. "greaaaat we're running the track today." Rika said and growled as she walked to the NE track. Riley ran up to her "Ello!!" riley said "Hey Ri!" rika said with a smile "why do we have to run the track today!" Riley whined and Rika nodded. Jason walked in between them and put his arms around their shoulders "because we have a perverted coach that just wants to watch the girls run around the track what else??" he said. "ok this school's starting to sound like the other school i was at!!" she said. Jason just laughed. soon the coach blew his whistle "Ok people do 3 laps around the track now!" he said. A few students groaned and some sighed and started to run "well...i'm walking" rika and riley said at the same time. Jason looked at them "ok you two are too alike ok? so quit! oh and i'd start running if i where you...but i'm not!" he said as he took off running. "Hikari! Ishtar! start running or will i have to make you start running?" the coach said with a perverted smile "ok and now it's time to save our asses and start running!!" rika said as her and riley started running and soon caught up with Jason "scary coach~" riley said in a sing song voice and Rika nodded. Jason shook his head "i warned you didn't i?" he said "yea so what?" rika said. Soon they finished their 3 laps and the coach blew the whistle as a signal that the period was over. Rika sighed 'ok i have to quit sighing....' she thought as she walked to her next period.....Reading/Lunch

Recap!

"ok Rika was what are we planning in that small brain of yours today?" Jason asked with a small smirk "Weeelllll....a small little prank on Ivanov and Hiwatari..." she said with a sly grin.

Still Lunch XD!

"ok what kind of prank..." Jason said "well it involves Kai's Car...Tala's Bike..." Rika started "Taking Kai's Car apart....putting it on the roof with Tala's bike..." Riley finished "ok what did i say about being alike" Jason said "to quit?" Riley "yes! so quit!!" he said. "did we hear your going to Prank Ivanov and Hiwatari?" a girl with two guys beside her. The Girl had Brown shoulder length hair and was wearing blue-ish top with a small orange and white shirt/jacket, a yellow skirt, and yellow and orange shoes. "I'm Hilary!" she said "and these two are Tyson" she said pointing to the guy on her right with a red and blue backwards cap, messy navy blue hair. He wore a red/white jacket, a yellow shirt, blue fingerless glove, black pants and red and white shoes (A/N: O_O it's amazing that i remembered what Tyson looks like since i haven't watched Beyblade since it ended and haven't looked at a picture of him either. creepy) he waved and said "Hey!!". Rika nodded and said "Hi" "and this one's Max!!" she said pointing to the Blond one to her left. Max had blond hair, and wore a green, orange, and yellow shirt with a orange M on the left side, orange pants, and around his waist he had a orange jacket tied, dark green fingerless gloves and dark green/orange/white shoes. "Hi!!" he said in a happy hyper voice. Rika snickered "hey" she said "yeah we are why you want to join?" Rika said Hilary, Tyson, and Max nodded "ok what about you two Brooklyn, Miguel?" Rika asked "i'm in" Brooklyn said Miguel nodded "I'm in too" he said "All right! Operation: KATSOR is in progress." she said with a grin "KATSOR?" Brooklyn said with one eyebrow raised "yes KATSOR: Kai And Tala's Stuff On Roof and that's what it stands for Brookie boy" she said. Brooklyn blinked "did she...." he said "yep she said Brookie boy" Riley said Brooklyn sighed and shook his head "well come on people." Jason said they stood up and followed Rika

With Kai, Tala, and Riku

Tala raised an eyebrow "uhh Riku..." he said "What Tala" Riku said looking at him "well your sister and..." he started to say as he counted the people with her "7 other people just left and i have a feeling their up to something." Riku growled "well she is know for Pranks...and other stuff" he said. Kai raised an eyebrow "Other stuff?" he said "yes other stuff pissing Teachers off, getting class out of doing

homework, pissing the principal off on her first day of stuff and so on" riku said "well anyway back to what tala said your probably right will guess have to see what happens" riku said 'Great i have a feeling i'm getting home pretty late today....' Tala thought 'If Riley and Rika do ANY thing to my car i'm gonna kill them...' Kai thought.

Back with Rika and the gang

"ok Jason, Tyson, Hilary and Max start taking the car apart. Brooklyn, Miguel and Riley you help me with the Bike." she said they all nodded and split up into the groups. (A/N: ok don't ask about it lil prank i'm sleepy cause i just woke up and started writing this and don't ask how they got the car up there O_O as for the bike they just pushed it up the stairs O__o).

FF to end of school

Rika was sitting on her bike talking to the Gang. Riley spotted Tala, Kai and Riku walking over "Ri-ka Kai and them are here" she said "Ishtar, Hikari" Kai said "Where's My Bike and Kais Car" Tala said in a pissed tone. Rika and Riley pointed to the roof of the school. Tala Death-glared at Rika "your gonna pay for that" he said. Kai Death-glared at Riley has she tried to sneak away "same goes for you" he said Riley gulped "i'm going now..." she said as she ran off to jasons Car "me too" said Rika as she pulled out of the schools parking lot and sped off. "Well i called our limo driver and he said would pick us up" Tala muttered "you two want to come over Rika, Riley and some others are going to be there." Riku said with a smirk. Tala nodded "Hn" said Kai.
