1 - LEAVE!

Massie was in her house around 10:00 clock PM. She was just about to log into her IM when she heard a knock on her door

"Come in!" she yelled sitting down at her computer, pressing sign in.

Clair walked in the door and sat on Massie's bed "Hey Massie! Whats up?" she asked looking at the computer screen.

"Just talking to friends!" she said turning the computer screen so Clair couldnt see "Did i invite you to my BBQ?" she asked mockingly.

"Uh....No.." Clair said, obviously confused.

"Then why are you all up in my grill?" she asked pretending to pout like a little kid.

Clair sighed and walked out.

Massie had BIG news!
