1 - Chapter 1: Getting Started

This story takes place before the movie so the drama, so Kim and Ron aren't a couple yet sorry. I do not own Kim Possible. I do own my character that I made up, Sammie. She comes in the story later.

(Middleton High school)

"Hey KP!" Ron said walking up to Kim as she was digging through her locker, she then pulled out some papers and looked at them.

"Oh hey Ron." She smiled then went back to looking at her papers.

"What are you looking at on those papers?" Ron asked as he leaned on Kim's shoulder.

Kim looked at him, "Uh..." Kim couldn't reply, her Communicator started beeping, She reached down into her pocket and then saw her 10 year old friend appear on the screen, "Hey Wade What up?" Kim asked.

"It's Drakken, he's up to his old schemes AGAIN, he just stole a Top Secret Machine called the T.T.I.K." Wade explained as he was typing on his computer and drinking some soda.

"Any idea on what T.T.I.K means?" Kim asked with a confused look on her face.

"Still a mystery but I could find out for you." Wade smiled.

"Please and thank you." Kim smiled back.

"Oh also here's the coordinates to Drakken's lair."

"Wade we need a..."

"Ride is already set up and should be waiting outside for you in a few minutes." Wade interrupted.

“Thanks Wade you rock! Ok, come on Ron let's jet!” Kim said as she stuck her communicator in her pocket and walked off. Ron just stood there staring in the direction that Kim went, when Kim came back and grabbed the collar of his shirt, “Let's go!” She said as she took off with Ron to go find Drakken.

As Kim and Ron walked out of Middleton High Ron looked over at Kim, “So what kind of ride did Wade set us up with this time?” He then hear a loud engine sound and looked up to see a jet fly over them, “BOO-YAH!” Ron yelled as he pumped his arms into the air.

Outside of Drakken's Lair

“Thanks for the ride Mr. Kock's .” Kim smiled then grabbed a parachute as she got ready to descend to the ground.

“Oh don't worry about it Kim, it was the least I could do after you navigated me through that snow storm.” He smiled back.

“It was really no big. You ready Ron?” Kim asked looking over at him.

“Ok Rufus! You ready buddy?” Ron asked as he held Rufus in his hand.

“Uh huh!” Rufus squeaked with happiness.

“Come on Ron!” Kim said.

“Coming Ron said as he grabbed a parachute and put it on then slipped Rufus into his pocket. He then went ahead of Kim to jump, but froze as he saw how high they were, “uh you wanna go first KP?” Ron asked nervously.

Kim folded her arms and looked at him.

“I'm guessing that's a no.” Ron said, as he looked out the door, he whined then finally jumped.

Kim landed on the ground safely but she heard some yelling, “KIM!! I could use some help!” Ron yelled through the trees.

When Kim found Ron he was hanging from a tree all tangled up in the parachute's ropes. Kim laughed then helped Ron down and headed inside Drakken's lair.

As they were walking in Drakken's lair Ron looked around, “Kim it's quiet.”

Kim looked back at Ron, “Yeah to quiet.” Kim said then also started looking around. They kept on walking but suddenly a trap door emerged underneath Ron's feet, “Ahhhh! KIM!” Ron screamed as he fell into the darkness.

“RON!” Kim yelled as she tried to reach for his hand but the trap door closed before she could reach him.

“AHHHHH!” Ron screamed as he slid down a dark tunnel as he held Rufus in his hands. The tunnel finally came to an end and Ron hit the ground with a thud, “Ow!” Ron said as he stood up and looked around, “Kim?” Ron said.

“Well, well, if it isn't Kim Possibles sidekick, whose names escapes me.”

Ron turned around to see Drakken standing in a corner, “Ok after all the time we fought each other how can you not know my name!?!?!?” Ron yelled.

“I don't know, you're just....don't distract me!” Drakken said then snapped his fingers and his guards appeared behind Ron. Rufus then crawled down in to Ron's pocket.

“You'll be a perfect specimen for my new toy that I stole.” Drakken laughed.

“Huh?” Ron looked confused, but Drakken's henchmen then grabbed his arm's, “Hey! Let me go! Let me go!” Ron said struggling to get free.

“Let him go!” A voice echoed in the room.

“KIM!” Ron screeched with joy.

“KIM POSSIBLE!” Drakken yelled.

“Sorry to break up the party, I'm here for Ron.”

Drakken looked at Kim then laughed, “Take him to the machine.” He ordered then pressed a green button as more of his henchmen filled the room and surrounded Kim.

“KIM! HELP!” Ron yelled.

Kim immediately got in a karate position and started taking down the henchmen one by one. “Yahh!” Kim yelled as she jumped up and went into a spin kick and knocked the henchmen down. She then ran to find Ron.

“NO!” Ron yelled trying to jam his feet into the floor.

“Hiyah!” Kim yelled as she took out the two guards that had Ron.

“Kim!” Ron screeched as he hugged her.

“GET THEM!!!” Drakken yelled.

“What are we going to do?” Ron panicked.

“Working on it!” Kim replied.

Ron started to back up when he tripped on a wire, “Bahhh!” He yelled, as Rufus fell out of his pocket. Ron then fell into the T.T.I.K. machine.

“Close the doors!” Drakken ordered.

“Ron!” Kim yelled.

The machine doors then closed and started up, Kim was blinded by a bright light. The machine then made a noise then the doors opened. Kim looked up.

“RON!?!?!” Kim said confused and surprised.

“Uh, Kim what's wrong?” Ron asked, he then walked up to her to see that she was taller than he was, way taller. He then looked at himself to see he was a four-year-old boy, “AHHHHH! What happened to me!?!?!?” Ron yelled
