Friends

Good friends are hard to find,

So never leave one behind.

Best friends are true till the end,

Sometimes friendships may bend.

Friends should trust each other,

Friends should stick together.

Friends have a special bond,

Good friends go above and beyond.

Friends stick like glue,

Friends make us happy when we are blue.

Friends help other friends out,

Friends wont make other friends shout.

Friends are great,

Friends should never hate.

Friends may sometimes fight,

But they will work things out and become tight.

Good friends are hard to find,

So never leave one behind.

Best friends are true till the end,

Sometimes friendships may bend.
