Music

Music is life,

Sometimes it can hurt like a knife.

Music can be calm,

We know the words like the back of our palms.

Music is cool,

You can listen to music while at the pool.

Music can put you to sleep,

Instead of counting sheep.

Music can be fast or slow,

People dance to the flow.

Some songs have cussing,

This can make people start fussing.

Music can be rock, rap, or pop,

Put the volume all the way to the top.

Music can make people sad,

Music can make people bad.

Music is life,

Sometimes it can hurt like a knife.

Music can be calm,

We know the words like the back of our palms.
