I came up with this in like 5 min. But it really is a craptacular poem

Hope

Tonight the sun sets late

So then I wait and wait.

Longer becomes my day life

But when night falls, in comes the pain and strife.

I am bearing the burden of just one

But in my mind it feels like a ton.

Oh Lord what have I done?

Holding on to just one hope

Gripping tightly so not to slip out like soap.
