1 - Mine Forever In Time

MINE FOREVER IN TIME

Why must you,
do what you do?
You stayed by my side,
and watched me cry.
Tears fell on your shoulder,
as the day gets older.
But you will always be mine,
forever in time.
You made me smile,
every once and a while.
You were always there,
to take away my fears.
Sometimes you have to go away,
but you always come back before the next day.
You may sometimes make me angry.
You may sometimes hate the other side of me.
But you will always be mine,
forever in time.
