# 1 - The beginning

Mundus: Vergil where are you?

Vergil walked into the chapel.

Vergil: I am here master.

Mundus: Trish has successfully brought Dante to the island.

The name "Dante" has caught his attention.

Vergil: Who?

Mundus: Never mind that. Are you ready to face him?

Vergil lowered his head.

Vergil: I am always ready.

Mundus: That is what I wanted to hear. You are a worthy servant, Vergil. Do not fail me.

Vergil: I won't.

Vergil bowed and walked away.

Trish walked into the chapel.

Vergil ignored her and continued walking and exited the chapel.

Mundus: Report Trish.

Trish: That molten spider has fled from Dante. And he has the sign of the Lionhead.

Mundus: Good. He is almost in position.

Trish: So what is the connection between Dante and Vergil?

Mundus: They are twin brothers you fool. Can you not tell?

Trish: So why is he attempting to kill Dante? Doesn't he know they are brothers?

Mundus: No, he does not. But that won't last too long. He will find out eventually.

Trish: But I have heard that they crossed paths on the Teme-ne-Gru?

Mundus: I have brainwashed him. He does not remember.

Trish felt a sense of guilt.

Trish: Sad.....

Mundus: You are not going soft on me, are you?

Trish shook off the feeling.

Trish: Of course not, my lord.

Mundus: Good.

Vergil walked down the hall of the castle.

Vergil: [Dante.... that name is familiar... but how is that possible? I always have worked under Mundus and I never came across that name.]

Vergil entered a bedroom.

Vergil: [He will come in here for the statue next to the mirror.... The mirror. That is where I make my attack.]

Vergil walked into the mirror.

The name "Dante" still bothered him.

Vergil: [Who is he? And why is he so important to Mundus?]

Vergil sat quietly in the mirrored bedroom and waited.

## 2 - Realization

Vergil: [Dante...]

It's been two hours since Vergil walked into the mirror.

Vergil: [I can feel him; I can feel Dante getting closer.]

The bedroom door opened.

Vergil: [It's Dante.]

Dante moved to the mirror, and Vergil did the same.

Vergil: [What is this? A doppelganger?]

However Vergil acted professional and mimicked Dante's movement.

Vergil turned.

Vergil: [Alright he is no doppelganger. Ok, time to make my move.]

Vergil stepped out of the mirror. Dante said something but Vergil ignored it.

Vergil: [I don't want to give away my appearance. So I should transform.]

Vergil transformed into his Demon form: Nelo Angelo.

Mundus: It has been a while now.

Trish: Do you think Vergil failed?

Mundus: I doubt that. I do not believe Vergil will lose to Dante again.

Trish: There is always a possibility.

Mundus: You do have a point Trish; I shall prepare more corrupted energy for the boy.

Vergil slashed Dante's sword away and pinned him to the wall.

Vergil: [What a formidable foe.]

An amulet dropped from Dante's cloak.

Vergil immediately recognized the amulet. He had the same one.

Memories started to flood into his mind.

The Amulet.

Dante.

Teme-ne-gru.

Sparda.

Twin Brothers.

Vergil couldn't take it and fled.
