*This is a poem I wrote for the love of my life, Ali. I wrote this because I love her very much.*

*Welp, nothing else to say, but leave me your comments.*

## 1 - Ali's Poem

Ali's Poem  
My heart is a lock and she holds the key  
When life can be dark she is my light  
When i am sick she is my cure  
When i fall down she is my ladder  
When i am sad she is my smile  
When i have nothing to say she is my inspiration  
When life is mute she is my song  
When life is bleak she is my hope  
When life is black and white she is my crayon  
When life is raining she is my umbrella  
When i am all alone she is my companion  
When the page is blank she is my pen  
When i can't fly she is my wings  
When i am dead she is my resurrection  
When i am blind she lets me see  
Her heart is a lock i hold the key  
When life can be dark i am her light  
When she is sick i am her cure  
When she falls down i am her ladder  
When she is sad i am her smile  
When she has nothing to say i am her inspiration  
When life is mute i am her song  
When life is bleak i am her hope  
When life is black and white i am her crayon  
When life is raining i am her umbrella  
When she is all alone i am her companion  
When the page is blank i am her pen  
When she can't fly i am her wings  
When she is dead i am her resurrection  
When she is blind let her see  
She is my everything, and my everything she shall be.
