## 1 - Leaf Bare

Leaf bare, nineteenth day

Dear Diary,

Oh, what a tragedy! My first entree in this diary and it has to be bad! Tigerclaw's mother, Suneye, has died on the thuderspath! Tigerclaw won't talk to anyone. I tried to talk to him, but he won't listen. The only time I heard him speak was after her funeral. He was saying something to StarClan. I feel bad for him. I'll try to cheer him up. He'll get over it someday.

From,  
Bluestar

## 2 - Greenleaf, day 14, moon 6

Dear diary,

It's been a better day today. Me and Tigerclaw went hunting today. He still misses his mother, but he's got me. Anyway, Darkstripe caught greencough last week and Tigerclaw's been to see him. I hope Darkstripe gets better. Besides, Tigerclaw's just getting over loosing his mom. Did I mention Tigerclaw and Darkstripe are brothers? Well, Gotta go. Fireheart and Graystripe returned from WindClan.

From,

Bluestar

### 3 - Greenleaf, Day 16, Moon 6

Dear Diary,

Darkstripe got over his Greencough. And Tigerclaw's doing a lot better. He talked to me today. I think I am starting to like him. He's so troubled-I wonder if there's something he's hiding? Oh well. I have to sleep now...
