1 - Poem One: Rain

Empty and alone
Thinking on my own
Darkness fills the sky
I feel like I could die
I'm done with all this pain
I'm just waiting for the rain...

2 - Poem Two:Blood

Cut a little deeper now
Sing a little louder now
Cry a little longer now
Just to work it all out
It's not that easy baby
The pain won't just go away
They will all know someday
Just take it all away!
Make my blood run clean
Don't blame it all on me
I've never tried so hard
Just to have a broken heart
And your the one at fault

3 - Poems 3 and 4: Shadows

The rain has finally come
But wait is that the sun?
Shadows over my face
I feel so out of place
Tears drench my cheek
Its just love that I seek
Sometimes I just wanna die
All the time I seem to cry
Sitting here in the wind
I'm just waiting on the end
Its impossible to say
Just why I feel this way
