Chapter 1 - Fire, Heart, Desire

2

1 - Fire, Heart, Desire

Chorus:

Way to break my heart
Way to kill my soul
Way to end it all again
Did I ever light for heart on fire
Was I ever your greatest desire

Verse1:

Baby you know you destroy me
I've done everything for you
And yet you ignored me
Completely devastated
But for you my heart still races
Just wish I could be free

Chorus

Verse2:

I'm a liar I'm a fake
I've become everything I hate
He thinks its real
He has no idea what I feel
My heart hurts and its killing me
Can't you see I'm not the person I wanna be

Chorus

Verse3:

Just a few words is all it took
Never knew you were so insensitive
I'm backing off just giving up
Disciplined to block you out
I have no more to say
Just drop to my knees and pretend to pray

Bridge:

The flame went out yeah
You broke my heart
All our love is gone forever
You were so unsure
I was always so insecure

We just couldn't get it right
I'm so done with our fights

Chorus

Fadeout: Way to go...take the pieces
Pieces of my shattered life
I'm done its over time to move on
I'll always love you...
