*This is just a little poem i wrote...Naruto and Sasuke, and their relationship (platonic, not romantic).
Inspired by Leonard Cohen, please comment. Also about change/growing up/apart. Enjoy!*

0 - The Poem

Like pebbles in a bag
We were there for each other,
Abrasive but helpful
We polished and chipped
To smooth of the corners
As we became brothers

Like pebbles in a bag
We molded each other
Separate yet inseparable
Bumping and clicking
Repelling, refreshing
Closer than lovers

Like pebbles in a bag
Dropped back into the sea
Washed apart by the tide
No longer together
Forever...
