**Chapter 1 - The memory you want to forget**

**2**

## 1 - The memory you want to forget

It was a cold night in december  
It was snowing  
It is not nice to remember  
It is a memory you will carry  
Your whole life  
When you get a boyfriend you can marry  
When you get old  
When he pasts away  
When you at last dies with a terrible cold  
You will always remember the night  
When your child drowned  
With a cry of fright
