Chapter 1 - Once upon a time

2

1 - Once upon a time

Once upon a time
I was made of bones
I was a happy young man
Painted hearts on stones
I gave 'em to my love
Just being nice
She was beauty as a dove
But slapped me twice
I didn't see it, though
Love is blind
But then, pretty slow
I understood she held something behind

I looked her up
Google is your friend
With her hands and a cup
She had killed five men
I ran out as fast as I could
She followed me
I think she knew that I understood
A house in my way, I fell on knee
My heart beat fast and loud
She had a cup in her hand
And looked very proud
I died that day, do you understand?
