Chapter 0 - Someday

2

0 - Someday

I don't have a pair of eyes like everyone else
Instead I've got a pair of holes carved deep into my skin
But I have a pair of horns no one else has
And that's what makes them so utterly useless

I don't have a pretty smile like all the girls do
My lips are sealed with thread
And instead of a heart filled with love
I have a cage with a bird inside

Its feathers are made of silver
But they no longer shine
They're covered in dirt and darkness
No one has gotten near enough to clean them

It doesn't eat and it doesn't sing
And soon it will be dead
I can't save it myself
Because it's a part of me

If only someone approached and didn't run the other way
If only someone didn't avoid and fear me
But the only person that would do that
Is the one with a bird themselves

Someday, maybe that person will show up
Someday, my bird might start eating again
But it's gone my whole lifetime
And that someday feels very far away
