Kenshin: Would pull and pull and pull and pull, and when he realizes he's unsuccessful, turn into the battosai.

Battosai: Would pull and pull and pull and pull, and when he realizes he's unsuccessful, turn into Kenshin.

Kenshin: Would whine and run to Karou.

Karou: Would use her shinai or her bokutou to smash the bottle open.

Sanosuke: Would break the bottle open with the Futae no Kiwami.

Misao: Would pull it out with her teeth.

Aoshi: Would use his Kodachi to cut the bottle open.

Shishio: Would burn the cork out.

Soujiro: Would smile at the bottle.

Yumi: Would give the bottle to Shishio to open.

Shishio: Would burn the cork out and give the bottle back to Yumi.

Saitou: Would use the Gatosu on the bottle, and then say "Aku. Zoku. San." only to have Sano cuss him out for ruining the sake.

Yahiko: Would use his shinai to break it open only to have Karou take it away because he's too young to have sake.

Chou: Would waste time deciding which sword to use before cutting it open.

XD Heheh... I would do more, but I can't think of anything else...
