Chapter 1 - I miss you

2

1 - I miss you

I miss you

I hate the way you talk to me
The way you re always there
I hate it when you push me around
Or even pull my hair
I hate it when you say I m stupid
Or think you re better than me
I hate it when you order me
And Give me that stupid glare

I hate that you re not with me
Not even still my friend
I hate how you can t talk to me
I just can t understand
I hate how you just left me
Will you ever see me again?
I hate that you just walked away
Now I feel like my heart is dead

I hate how we used to be
And they way we used to fight
But now I hate this lonely feeling I get
Because you re not in my life.
