1 - voice

silence is forever
unless you break it
i would give my life for you
if only you'd take it
but tonight is for you
together we shall be
until you release me
or death take me
for i am not a slave to my own mind
but a slave to everyone else's
forgiveness is divine
in the eyes of the mortals
but in those of the gods
it is a creature's comfort
which cannot be denied
until the end of days
when i fade away
i will not allow myself to be used
by myself
or any other opponent
who rises to face me
i will prevail
and love you
forevermore
