**Chapter 1 - only chapter**

**2**

## 1 - only chapter

she walks slowly along the beach.  
a full moon covered by the clouds,  
reflecting in the water  
that surges up to her ankles.

The tide is strong  
but not too strong.  
She looks up from her feet  
And sees a pale man with raven black hair.

She runs to him.  
Hugs him...  
Kisses him...  
And he just smiles

Her not caring about his fangs...  
For he is her dream come true

Her only fantasy.
