Chapter 1 - Untitled	2
Chapter 2 - Only (for my kitten 2)	4

1 - Untitled

Only those tears that do reach the ground

Will help you to come where you have to go

Only those fears that become real

Will help you to understand your life

Oh god, why?

Why did you do this

Why did she have to leave

Why did the tears I cried

Didn't help me get over it

Why did the fears I lived

Never made me understand

Why did her fear

Had to be her death

If she had to leave

Why didn't she run away

No tears are enough to guide your soul

2 - Only (for my kitten 2)

Best poem

Only those tears that do reach the ground

Will help you to come where you have to go

Only those fears that become real

Will help you to understand your life

As a instant of happy thoughts

You lived

As a tear falling

You fell in the water

As a flower at the end of its prospering

You died a slow and fearsome death

Only those tears that do reach the ground

Will help us forgive ourselves

Only those fears that become real

Will help us get over it

No tears are enough to guide your soul
