(Everything burns, by Ben Moody ft. Anastacia)

You sleep in me

You lie in the water

Leaving our dreams to die

Your eyes, no expression

And I won't forget

We no longer cry for you

But tears we won't forget

You no longer play no more

No happiness inside

And still I think

-refrein-

Why did you go?

Why did you leave

Us in this shade

Of tears coloured tints

All of these lies

Ruling my thoughts

You are still here

It never happend

You sleep in me

Walking trough an empty kitchen

Without you at my side

To play with my moving feet

But I still feel you!

And then I think:

-refrein-

Why did you go? (you sleep in me!)

Why did you go? (you sleep in me!)

Sleeping in me (all of my tears)

All my tears! (you sleep in me)

Ooh ooh!

- refrein -

Ooh ooh!

You sleep in me!

(Why did you go ?)

Ooh ooh

You sleep in me!
(Why did you have to go ?)
