*It's just a little song-parody from a summer-hit in the 80s. And a homage to the 6th of June 2006 (also Murdoc's 40th b-day.) ;)*

*Please don't sue me and have fun on the sunny day! :)*

## 1 - Like ice in the sunshine (666-version)

Like ice in the sunshine  
Like ice in the sunshine  
I'm melting away on the sunny day.

I'm walking down to the beach  
and looking at the sun.  
The water is warm and me  
and my friends are having fun.

Like ice in the sunshine  
Like ice in the sunshine  
I'm melting away on the sunny day.

But underneath the sand  
something big is coming up.  
It looks like a huge demon  
from hell wants to join us.

Like ice in the sunshine  
Like ice in the sunshine  
We're melting away on the sunny day.

The demon's name is Satan  
and he summons a fire wave.  
His pals and buddies  
are greeting us from their grave.

Like wood on fire  
Like wood on fire  
We're burning away on the sunny day.  
Like flies in a lightbulb  
Like flies in a lightbulb  
We're passing away on **Satan's day!**

*Happy birthday, Satan! And Murdoc Niccals. :)*
