1 - first and last

What Chocolate Means To Me

Chocolate is my best friend,

It helps me mend,

Mend all the bad

Like fruits and salade.

Chocolate is my best friend,

But it made me mad,

When I found out

How much fat it had.

Chocolate is my life,

If I didn't have chocolate,

I would say "look out strife!"

Some people eat it all, I do too.

But I like to have my chocolate and eat it too.

Chocolate is my best friend,

When nobody else is around,

Me and him are home-ward bound.

He doesn't know yet, but

When we get home,

I have a little surprise for him!
