Sorry eLampe, couldn't resist.

eLampe is lazy and all the teachers love him. Why? He's the butt end of pretty much all the jokes. If I remember any, I'm posting them here.

PS: MUAHAHAHHA!

Chapter 0 - Basics	2
Chapter 1 - In Analysis	3
Chapter 2 - In Analysis (2)	4
Chapter 3 - In Analysis (3)	5

0 - Basics

23 kids in the class.

3 classes a day together (and lunch...sometimes).

Brains in every kid.

Constant projects.

eLampe - doesn't do homework, doesn't do worksheets in class, mind wanders, philosopher, programmer

typical student - multitasking 12 things at once, completing given assignments, extra curricular activities, little "me" time to have fun

1 - In Analysis

Analysis Teacher: (to a student) We were given two eyes, two ears, and one mouth. Use them in that proportion.

eLampe: And we were given ten fingers and ten toes.

(Class cracks up)

2 - In Analysis (2)

Analysis Teacher: (after having made fun of a student) I only make fun of students I like.

eLampe: Then you must like me a lot.

(Class starts laughing)

Analysis Teacher: And those who serve themselves up on a silver platter.

(Class starts laughing harder)

3 - In Analysis (3)

eLampe: This is madness!

A group member: No...this. is. ANALYSIS!
