## 1 - To my awesome and wonderful little brother

My dear little brother, oh how you make me laugh.

And, even though I don't see you very often, I care more than you know.

When you hurt, I hurt, when your pain becomes unbearable, mine becomes unbearable.

Sometimes though, I don't understand, but i want to.

the reason you are so wonderful, is because of your passion, your tenacity, and your respect for all beings.

I just wish you could see some of the things I see, when I hear you, or listen to a song you wrote.

Most of all, i wish that you could love yourself, as others love you.

Even though you don't always see it, you are a wonderful, and awesome being.

Love you Victor.

My awesome, brave, wonderful, and kind little brother.

Love your older sister,

Rita
