<b>Chapter 1 - Ellie</b>	<b>2</b>
<b>Chapter 2 - The Time Machine</b>	<b>3</b>

## 1 - Ellie

Once upon a time, there lived a beautiful elephant named Ellie. she loved the monkey king very much! Every night she couldn't get to sleep because she was thinking about him. So, one day she said to herself "I will marry that monkey king no matter what it takes!" But, she didn't know how to ask him to marry her! She had to go to the monkey world! She climbed into her secret invention the World Traveler, and said " I will get there no matter what it takes! I will! I WILL!!!!!!!!!!!!!!!!!!!!!!!!!" And so she left to go to the monkey world.

## 2 - The Time Machine

So, when Ellie got into the time machine and looked for the monkey button. "Where is it? Why did I put so many buttons in here? There is like a million of them!!!" Exadgerated Ellie angrily. "There it is! I'll push it in 3 seconds. Three.....Two.....ONE" BOOM!!!! "What the heck? Where am I!?" "You are in the monkey land," said a tall giraffe, "come with me I'll show you around. O.K.?" "This can't be the monkey land! You guys are giraffes!!!" screamed Ellie." Why do I always have to be with the animals that are loopy?" thought Ellie. "Are you coming?" asked the giraffe. "Ummmmm... NO! Are you on crack or something?" "No, why?" "Nevermind." So, Ellie got a tour of the monkey land and had dinner there, grass and leaves. Ewww! After dinner, Ellie went to bed in one of the tree houses. In the morning, Ellie had breakfast and went back to the timemachine. So, where would the monkeys be? she thought. "I'm not going to ask a giraffe, because they will probably get mad, so I guess I will go to the giraffe land. Mabye they are there!"
