# 1 - Questions

Where to go  
And when to leave  
And What to do  
When you get there.  
How to speak  
And how to act  
And what you  
Need to wear.  
The worries that  
Concern you so,  
Formalities  
Say I.  
I focus on  
The bigger things:  
How to live  
Or even why.  
What does the future  
hold in store,  
And how, then,  
May we find it.  
Why is it  
We learn so much  
With the intention  
To forget.  
Is the sky  
An endless mass,  
Or just what  
We can see.  
Do races exist  
Beyond our own,  
Or is it just  
You and me.  
You ask the  
Immaterial,  
Irrelevant,  
Say I  
You ask who  
And when and where,  
I ask  
How and why.
