1 - Dear Mati

I never really understood
Why he was my friend
I winge and wine about everything
But he's there until the end

I never truly knew what friendship meant
Meant until he came along
I never knew how to trust
I always was alone

Then i opened up to him
Though he was a geek
He was the only one
That didnt treat me like a freak

I've watched him grow mature
As he's left me behind
But still he sticks around
To me he's mostly kind

He likes to joke around
He likes to skank dance
He's a child inside
He got in my pants(lol inside joke)

We both hung out
We both have lied
And when he's drunk
He makes me cry

But still yet
He's like my brother
Our ESP
Is like no other

Dear mati
Your my best friend
We'll be there for each other
Until the end..
