Love. Love comes in many shapes and sizes; it can come big and small, young and old, in as many combinations you can think about. Sometimes the person you love can break your heart, but if life has left me any lesson, it's to never, ever give up on love, no matter how bad the situation gets, no matter how bad you get your heart broken, pick the pieces of your broken heart up, and put them back together again.

If you're not sure to love someone, wait, and love will come to you. There are thousands of millions of people in this world, all of us seeking the love and care of someone special, yet we are never alone...

Nahum J. Luna Montoya

The following story is about two teenage hedgehogs, whom, after much time together, fall in love, and about the things that happened to them upon feeling this emotion we call love...
