Uh, I made this Sonic story about two years ago, just for fun, funnily enough, it barely has Espio in it! DX I just like the title. And it's a cliffhanger! >:D

Chapter 3 - Lost something	4

1 - Master Emerald

Sonic was lying on the roof of the Thorndykes mansion, napping again, when Knuckles came running up to the house. He said "Hey Sonic! Someone has stolen the Master Emerald!" Sonic opened one eye and said "Well, what do you want me to do about it?" . "Well I thought you could help me find it?" Knuckles said, startled. "Okay, then." Said Sonic jumping down from the roof. " Lets go. "

2 - Shadowy Hedgehog

Sonic and Knuckles were walking through the forest around where the Master Emerald was stolen from when Knuckles said "I'll just go and get a drink. "Then he walked off. Just then Sonic heard a rustle in the bushes beside him. Suddenly Shadow jumped out of the bushes and said" So we meet again, Sonic. " . "Yeah, long time no see! " Sonic said. " I know where the Master Emerald is. " Shadow said. Suddenly Knuckles came running out from the bushes and grabbed Shadow. " Where did you put it Shadow? " He said threateningly. Shadow pushed him off and got up. " Well, I didn't put it anywhere. " Shadow said. " I just know where it is. " . " Where? " Said Knuckles. " Hmph, i don't know why I should tell you but,..... follow me. " he said.

3 - Lost something

A few hours later Sonic, Knuckles, and Shadow were standing outside a giant metal rock. Shadow kicked the rock four times and a smaller rock slid away from the base revealing a dark passageway. Shadow walked inside it closely followed by Sonic and Knuckles.

They came across a large room with the Master Emerald in the middle. Knuckles ran over to the small computer beside it and raised his fist. "STOP!!" Shadow said. But it was too late. Knuckles's fist came down and smashed the small computer, then he stopped. "Ha!, nothing happened!" Knuckles said. Suddenly, the invisible lasers that he ran through lit up in blazing red. Red lights lit up everywhere and a siren alarm started. Knuckles covered his ears. Just out of the corner of his eye Sonic saw a laser beam heading towards Knuckles. "KNUCKLES! LOOK OUT!!!" He shouted but Knuckles couldn't hear Sonic over the loud siren. Suddenly, just before the laser reached Knuckles, it suddenly bounced away from him. Espio became visible. That was when Sonic noticed. Espio was hanging from the roof holding a ninja star in the path of the laser. Knuckles slowly opened his eyes. "Get away from there!" Espio said. Knuckles dove towards Sonic and Shadow. Espio gently dropped down from the roof and started running towards Sonic, Knuckles, and Shadow. He made it safely back to the gang. Suddenly Knuckles yelled "THE MASTER EMERALD!!!!!" as a Blazing red laser was making its way rapidly towards the Master Emerald in the middle of the room. Espio said "stay here, I will get it." "No wait!" Sonic suddenly said. I am faster, I could get it more easily. Then He sped off to the Master Emerald. He grabbed it and they all ran outside. All except Espio. Shadow ran back inside and said "Come on!" Then Espio said "I first want to trigger its auto destruct sequence, because I have found out that this place is somehow connected to Eggman's secret base." . "Anything to do with the words destroy and Eggman is fine by me!" Shadow said as he ran over to help Espio. "Auto destruct sequence triggered. "complete detonation will commence in....5....4....3" The machine said. "Let's get out of here!" Espio said as they ran outside. "2....1" Said the mechanical voice of the secret base's computer. Just then Sonic ran up grabbing Espio and Shadow by the hand and in a few seconds they were miles away from the secret base. Knuckles was standing with them. Suddenly Knuckles said "WHERE IS THE MASTER EMERALD?!?!" * * * * * TO BE CONTINUED * * * * *
