## 2 - Untitled

Hey guys!!!!!!!!!!!!!!What's up, having a good day yet? Anyways a new chap just for you guys who's reading this fic. I'm very happy that some people think it's interesting!!!!!!!!!! A thumb up for you guy!!!!!!!!!!!!!! It's been such a long time since I've last update but here it is chap three!!!!!!!!!!!!!!

Again my warnings it's a yaoi fic and ENJOY!!!!!!!!!!!!!!

Remember last time Shadow add quite a surprise, he's havin' the visit of his old friend Knux.

"How cute." said Amy as her brother was hugged by Shadow.

"Very funny Amy." both Shadow and Knuckles in union.

Hey!! I've got something to show you two!" exclaimed Shadow taking the hands of both Knuckles and Amy and dragged them in the kitchen. After reaching the kitchen he released his grip on his friends and took Milles for the counter.

"Meet Milles!" said Shadow happily.

"And who's child is that?" asked Knuckles

"I found him last night while I was taking a walk around town, he was laying beside the body of a dead fox woman, who I guess was his mother... I'm gonna keep him and raise him as if he were mine" said Shadow a bit of sadness in his voice when thought back of the dead woman.

"I don't know if it's such a good idea." said Knuckles a pensive expression on his face.

"AWWWWWWWWWWWWWWW but he's soooooooo cute!!!!!!!!!!!" shouted Amy taking the baby in her arms.

"You'll help me take care of him eh?" said Shadow making a cute pair of puppy eyes.

"Ah fine." said Knuckles, Shadow smiled.

"Thanks." whispered Shadow in Knuckles ear. "So, what do we give this lil' guy to eat?" asked Shadow

"You'll give him warm milk, not too hot or he'll burn his sensible mouth. And come to think about it he needs some cloths, dippers and toys, OMG!!!!!! You make Milles eat and I'll go shopping for him." said Amy running out of the door.

"THANKS AMY!!!!!!!!!!" shouted Shadow he then turned to Knuckles. "Thanks god we have you sister to help." said Shadow, Knuckles nodded.

That night Amy and Milles sleep in the guests room while Knuckles and Shadow were in Shadow's room,not asleep yet.

"You know what Knuckles?"ask Shadow turning face to Knuckles.

"What is it Shadow?"ask the red ecindna.

"We should get a house all to orselves with Amy and Milles we could live all together.We'd have a large back yard where Milles could play and it would be close to a lake we could go fishing.What do you think Knuxy?"Proposed Shadow.

"I think it would be great Shadow,let look for that house,tomorow in the morning."said Knuckles smiling,Shadow noded and smiled back.They both felt asleep in the calm silent night,not suspecting once how cold tere fate would get or none of them saw the shadow whathcing over them an evil smile apering on his lips...

That's the end of chap three I know it's very crapy but I promist it'll get better in the next chapters,that was the introduction of the fic Pain,and for those who didn't know it,the baby fox is Tails.And I also want to say, this fic as nothing to do with ANY Sonic game,Knuckles and Amy are not even family,just in the fic.

Have a good day and you are welcome to leaving a coment.

Revview makes Clolymy happy!!!!\*Peace\*
