Chapter 1 - death	2
Chapter 2 - life	3

1 - death

death. it takes you, toys with your mind. it comes closer, closer, tick tock tick tock. it breaths down your neck, wraps around you. over and over it tries to grab you, almost takes you, but never succeeds.....until the moment.

it takes you, never lets go, to darkness. there is nothing to help you. you get hot and sweat. you hear sounds that you cant imagine, screams so eerie you get chills. then there is light, light powerful enough to destroy the darkness. you are cleansed and free.

i was bored in language.

2 - life

you start in darkness. it feeds off your fear. it takes you, almost, but not yet. then when all odds are against you, you are reborn, into light, into a new world. you see all colors and light, but no darkness. life takes you and cleanses you, cleans you of your fear. you are happy, but not for long. darkness comes at you in many ways. plagues, disease, and DEATH. it claws at you, but you live through everyday.

plz comment.
