Cy: O.K I tell you all about me.

Lilly: NO, I MEAN IT!

Cy: You don't have to be so mean about it.

Lilly: You just don't understand

Cy: I can understand if you tell me

Lilly: O.K (takes a deep breath) When I was 14 I met Mark.

Cy: How old are you now?

Lilly: 16, anyway we met on a train, I was on my way back to my city so Alexis starts an attack because the train was holding many jewels and gold. So I started to fight her and then I saw that the roof was caving in and there was Mark, alone holding his head in hope that he would live. So I saved him and then things really hit off.

Cy: You really miss him don't you

Lilly: no I just don't know why he would leave me for her.

Cy: Well if we see Blackfire we will ask.

Lilly: Nah it's O.K

Cy; Will you go out with me now

Lilly: NO

Cy: Awwww Man.

Lilly: Well I'm gonna hit the sack

Cy: Yeah me too

AA!

Robin: STARFIRE!!!!

5 - One Wedding and a Funeral

Cy: What's going on?

Rob: Someone took Star

Lilly: This can't be happening...

BB: What's the matter?

Terra: Yeah, what is it?

Rav: Well it's obvious

(All Titans and girls whom have just gotten out of bed look in shock)

Rav: Robin screamed (imitating Robin) STARFIRE!! So someone took her away.

All (except Robin) oh that makes perfect sense.

Robin: blushing

Cy: Well we gotta go save her.

Rob: Titans

Lilly: Girls

Rob: GO!

Lilly: CONQUER!

They all run off

Meanwhile up in the air you see a flying saucer type thing and Star is in it

Star: Please who ever you are, release me!

Blackfire: Hello sister dear

Star: I should have known, why are you taking me away?

Blackfire: So that the Girls of the Wind will follow you.

Star: But why?

Black: You see sister dear, Mark and I are getting married and we want dear sweet Lilly to die for our wedding present.

Star: (her eyes glowing) you will do no such thing!

Black: Oh yes I will, you see I'm going to capture your precious Robin and make her trade. Either he dies or she does.

Star: You KLOREBAGBARBLERNELC! I will not let you hurt them!

Black: Oh Mark! Someone is not cooperating.

Mark; (a gorgeous guy with short dark brown hair and deep brown eyes who is very tall and fit. He is wearing a white long sleeved shirt with jeans.) Oh Starfire your sister is only doing the best for us. I want Lilly to die, so does to so do us a favor and cooperate please.

Star: NO!

Black: Then we'll just have to knock you out.

Star: Aaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaaa!

Back on the ground

Rob: The T-ship is ready Lilly are you sure your car can handle it?

Lilly: Yeah

Rob: Titans and Girls LAUNCH!

They fly up in the air

Lilly: Look there! Its Tameran!

Cy: And there's Star in that ship

Rob: Fire

Lilly: Wait!

Rob: What

Lilly: What if you hit Star?

Rav: They are landing, we should do the same

After they have landed and they are on the ground

Lilly: Blackfire and Mark Release Star now!

Black: Oh look Mark your little girlfriend is here

Mark: Oh Lilly her I don't need her I only love you.

Black: Oh what a gentle man

Terra: Who's she?

BB: We will tell you later.

Lilly: Let Star go!

Mark: But we want to trade. You see we'll let Star go but in return either you or Robin dies.

Rob: Lilly we'll find another way

Black: Oh no you won't! We'll kill Star unless you do what we say.

Lilly: Robin... your team needs you more; Mashi, Meghan and Melody can find a new leader. I should go.

Cy: Lilly you don't have to we can find another way.

Lilly: (yelling and crying) THERE IS NO OTHER WAY! DON'T YOU GET IT THEY WON! WON!

Cy: Lilly maybe we could negotiate something.

Mark: There is no negotiation. Lilly I never liked you; you saved me so I felt obligated to date you. You meant nothing you are nothing. You always thought you were something because of your powers but that doesn't mean that I had to like you! So go take your nothing self and be gone!

Lilly:..... Fine I'll die Robin should live Girls take care of the city. Tell Star that I'll always be her friend and yours. Blackfire and Mark do as you must.

Mark: I'm so glad that you see the light.

Blackfire: DIE! (shoots laser at Lilly and hits her in the heart)

Cy: LILLY!

They all rush over except for Mark and Blackfire who drop Star and leave.

BB: There's no pulse.

Cy: Is she...

Melody: She's gone.

To Be Continued.

6 - The Quest

Cy: Come on Lilly wake up, please

Cyborg shakes her lifeless body her face with tears streaming down it from her crying before and the Girls and Titans crying.

Melody: She can't die. She can't, without her were without a friend without someone who understands.

Mashi: Please get up, we need you.

Meghan: We didn't even get to say goodbye.

BB: Wait! I have an idea! Cyborg how did she bring Terra back?

Cy: She used this medicine in her pendant why do you ask.

All except cyborg: HELLO!

Cy: Oh!

Cyborg takes the necklace and pours the medicine on her. Sudden light comes from her body a ghost like figure stands in front of them.

Ghost: You have awakened Lilly's spirit how can I help you.

Rob: Lilly is dead can we bring her back?

Ghost: Yes but you must listen how to... You must each go to five different locations Mount Everest, The Sahara dessert, The Amazon Rainforest, The bottom of the Atlantic Ocean and The Grand Canyon there you will find one small crystal. Bring them back to your home and give them to me.

Cy: O.K so we have to take you to the tower and then...

Ghost: There is a catch, each journey is filled with dangers and you will have to split up and go on the journey with a villain, I will pair you up.

Rob: Which Titans will go on this journey?

Ghost: Robin with Slade you go to Mount Everest, Starfire and Blackfire will go to the Amazon, Cyborg and Gizmo will go to the Grand Canyon, Beast Boy and Trident will go into the Atlantic and Raven and Mumbo Jumbo will go to the Sahara. Do you accept?

Cy: Yes

Rob: Yes

BB: Yes

Rav: Yes

Star: (just regaining consciousness) I believe I should say yes?

Ghost: Very well

Ghost vanishes.

To be Continued.....

7 - Trident and BB

Rob: All right we each must get our partners and then go.

Cy: Yeah we'll split the T-Ship up

Star: (after having this all explained) we must first get Blackfire but how.

Ghost: They will do this only because I have offered them money.

Star: You cannot simply buy the villains to do this.

Ghost: they have all said yes

BB: When you can't beat them pay them

Rav: Not now Beast Boy

BB: Sorry

Ghost: The villains should be here.....now

Villains appear.

Slade: Robin so good to see you, by the way where is the girl?

Rob: (with clenched fists) over there. (Points to Lilly's body)

Slade: Oh such a pretty girl, shame she had to die. Of course it takes another plan of my hands.

Cy: (lunging at him) YOU TAKE THAT BACK!

Rav: Cyborg control your self... If you make him change his mind we'll never bring her back.

Cy: right.

Gizmo: Nice to see ya ,you sucz-a-munchin zit-faced robot

Cy: The pleasure is mine (Thinks in his head) *does this ghost hate me?*

Ghost: I don't, now go!

The ghost transports them to the Starting points

BB: (To trident) So still sore about the cavern thing?

Trident: No because perfection needs to be alone sometimes.

BB: O.K,

They both dive into the water.

Trident: The course is 5 minuets long but a giant squid guards the gate to the crystal. And there he is.

BB: That is one big, gigantic, huge, monster, ginormus, immense, giant...

Trident: I do not want to listen to this non perfectionist blabber. We must fight!

BB: What ever you say... Mr. Perfect

Trident: Hiyah!

Trident lunges at the squid with massive force and hits him dead on. BB turns into a whale and begins to bite at the squid. The squid takes one tentacle and slaps them both off.

Squid: Please will you keep it down, you don't want to make a ruckus around the town!

BB: Why do you rhyme?

Squid: I am the squid of rhyming pleasure. Do not try to steal my treasure.

BB: Well what do we have to do to get it, our friend Lilly needs it!

Squid: Oh that Lilly what a girl, she is a pretty as a pearl!

BB: And she's dead so can you please let us pass.

Squid: only if you make a poem on the top of your head! Which you can't do I dread.

Trident: Of course I can I'm not so sure about the green one.

Squid: Then rhyme away, I dare say.

Trident: Perfection ,Perfection uh in this section....

Squid: Oh afraid that did not make sense, therefore Beast Boy hence, must rhyme to keep your presence.

BB: I see love here and there, with the ugly and the fair. And as the sun sets to the crimson sun, I see the two lovers become one.

Squid: *sniff* I'll let you pass, for doubting you I should be kicked in the a

BB: Alright lets go

Trident and BB go through the gate and they see a green crystal that is shaped like a leaf.

Trident: Alright my work is done good-by.

Trident swims away.

BB: (takes the crystal and is transported to the Tower.)

Terra: BB your O.K!

BB: I got the crystal.

Rav: Right... now be a good little wizard and check the map.

Mombo: (with angry sign on his head) Fine little miss party pooper. (checks the map) alright starting here we have to dig down 50 feet, to get to the shrine.

Rav: O.K hold on to your hat

(Mombo holds on to his hat)

Raven Starts lowering them down into the sand. They come to a long tunnel.

Mombo: So kid, what's the plan?

Raven: We go to that shrine over there.

They go to a big shrine where they see a purple crystal that is shaped like a cloud.

Stone statue: Helloooooooooo! Welcome are you here for the crystal?

Rav: Yeah.

Stone Statue: Well to get it you have to tell me a joke! And make me laugh!

Rav:..... I don't do funny.

Mumbo: I do! So why did the chicken cross the road?

Stone Statue: Why?

Mumbo: Because Robin was busy fighting crime! Ha! Get it Robin and a chicken, both birds! Hahahaha!

Stone Statue: Not funny. So it's up to this little lady over here!

Rav: Ummm.... Knock knock

Stone Statue: Who's there?

Rav: Control Freak...(before The stone statue can answer) now you say control freak who.

Stone Statue: I don't get it.

Rav: You see I control you by telling you to say "control freak who" get it?

Stone Statue: Oh I get it now. Ha! I guess that is funny, and clever! You may pass.

Rav: Thanks (She grabs the crystal leaving Mumbo there and is transported to the tower)

Terra: Raven! Did you get your crystal?

Rav: Yeah.

BB: That's great! Just put it on the coffin.

Rav: I wonder how Star is doing.

In the Amazon Rainforest, you see Star and Black flying and dodging trees.

Star: I hope we reach the location of our needed presence soon.

Black: Were almost there. Look! There's the village!

Village Chief: Nibor! Welcome to our village. You are here for the crystal of flowers right?

Black: Yeah, now hand it over!

Chief: Oh I'm sorry but first you must take the test of truth!

Star: Test of truth?

Chief: Yes, you will each be tested to be truthful to your mission, If you are the crystal is yours if not, you will be put in a snake pit. And we will make sure that you don't get out. Understood?

Star and Black: yes

Chief: Very well. Bring out the Village Wiseman!

Wiseman: You with the dark purple hair come here and listen.

Black: Whatever.

Wiseman: I have one million dollars in my hand. You can take it and be throne into the snake pit or you can leave it and get the crystal.

Black: **thinks* I've already been paid but a million dollar bonus isn't bad either, and who cares about Lilly anyway. *stops thinking* I'll take it.*

Blackfire grabs the money and is promptly throne in the snake pit.

Wiseman: You with the long ruby hair come here and listen.

Star: Yes?

Wiseman: I have in my hand a love potion. You can take it and be throne in the snake pit or you can leave it and get the crystal.

Star: **thinks* I could use the love potion on Robin and he will love me no matter what. But Lilly needs me the most and Robin...Robin is my friend and he will always be there for me, he always has. *Stops thinking* I will take the crystal.*

Star takes the orange crystal from the Wiseman.

Wiseman: Ah you have a heart as pure as gold. May your soul guide you forever more.

Star is transported to the tower.

Rav: Star!

Star: I have received the item of our goal!

BB: Put it on the coffin.

Terra: That's three down, two to go.

10 - Robin and the Emotional Slade

At Mt. Everest

Slade: Well Robin you always liked a challenge. Think you can keep up till we reach the cave?

Rob: You're the one who should be worried about keeping up.

Robin starts to climb the mountain, Slade follows and starts to get ahead of Robin. Robin sensing competition starts to climb faster and gradually gets ahead of Slade. Slade now finally realizing that it's a contest starts to race Robin. The two do this for hours until they reach the cave of fire.

Rob: *pant pant* this is the place.

Slade: looks familiar...

Rob: you can't be serious.

Slade: I know when I'm serious.

Rob: fine

Slade and Robin walk in silence as they go down a narrow ice hallway.

Rob: So why do you think that this place is familiar?

Slade: Before my evil came out of me I married a woman, Gene Flora Slade. I think that we were married with a ice theme, so this is why.

Rob: is she dead.

Slade: long-gone.

Rob: What happened?

Slade: Why is a crime, fighting teenaged boy wanting to know this?

Rob: maybe it'll explain why you're so twisted.

Slade: That's how I am.

Rob: So what happened?

Slade: One day I came home and she was in the kitchen dead.

Rob: Why.

Slade: Turns out some guy in a cape had killed her.

Rob: Why?

Slade: Wanted revenge, he had dated her before and she had married me so he wanted her to pay.

Rob: That's...

Slade: Not good.

They come to this alter type thing with a glowing red crystal in the shape of a flame sitting on it. Right next to it there are two windows that look out on to darkness.

Voice: hello welcome to the cave of fire.

Rob: Yeah about that can we have that crystal?

Voice: Not until you take the test of strength.

Slade: What do we have to do?

Voice: You must each look into a different window, and you will see what I mean.

They both look into one of the windows and then scream like little girls.

Slade and Robin: EEEEEEEEEEEEEEEEEEEEEKK!!!!

11 - Robin and Slade 2 and Cyborg and Gizmo

Slade: This can't be...

Rob: This can't be...

Slade: *sees* a beautiful woman running across a barren landscape. Suddenly she pulls out a knife and stabs herself and says. "Slade, death is at your doorstep, greet it kindly."

Slade: *cries* Gene! Come back! Don't die!

Rob: *sees* Starfire against a wall with a gun at her head, Lilly holding the trigger.

Star: Please friend Lilly, I did not mean to get kidnapped, spare me.

Lilly: As if *looks at Robin* say goodbye.

Lilly pulls the trigger and Star looks at Robin and says "I love..." and dies.

Rob: *crying* Star! Not you! Star!

Voice: These are events that you can change, only if you forfeit the crystal. The choice is yours.

Slade: I would kill myself to have her back. But then I would run the risk of losing her again. I would take the crystal.

Rob: Why?

Slade: Sometimes you have to make selfless choices.

Rob: But in mine Lilly shot Star.

Slade; Robin Lilly wouldn't shoot Star even if her life depended on it. She died for her before didn't she?

Rob: Yeah

Slade: It was an illusion most likely.

Rob: O.K I'll get the crystal, you can go home or something.

Slade: Bad luck to you!

Rob: grabs crystal and is transported to the tower.

Star: Robin! You have returned!

Star hugs Robin

Rob: It's good to be back.

BB: hate to break up the love fest but Robby you need to put your crystal on the coffin.

Rob; I hope Cy hurries.

You see Cy and Gizmo in a rocky wasteland.

Gizmo: You know that Lilly girl is quite a pretty girl.

Cy: Yeah... AND DON'T TOUCH HER...SHE'S MINE GOSH DARNIT!

Gizmo: Calm down you barf-smellin' hairball!

Cy: Why do you talk like that?

Gizmo: Because I want to you brainless-hunk a junk

Cy: Oh look it's the cliff.

Gizmo: I'll fly us up.

They fly up and come to an alter with a blue crystal that is shaped like a wave.

Cy: I'll get it

Cloud Man: Wait if you want the crystal you'll have to give me something

Cy: What?

Cloud Man: A human heart.

Cy: WHAT?!

Gizmo: So do you want me to kill a Titan or a Hive member?

Cloud Man: You fail

Gizmo: WHY!

Cloud Man: You lack compassion. Let us see if your robot friend can do it?

Cy: I guess I'll give my own heart away...

Cloud Man: Ding ding ding! We have a winner!

Cy: Huh.

Cloud Man: You did what Lilly did for Starfire! So you may take the crystal.

Cy: Thanks!

He takes the crystal and is transported to the tower.

Cy: I got it!

Rob: Put it on the coffin! Hurry!

Cy: O.K

Cyborg puts the crystals with the other four and they start to glow.

Uh, oh my head. That hurts.

Cy: Lilly is that you?

Gene: Far from her. MUHAHAHAHA!

12 - The Last Chapter

Gene: Ah much better I thought that this plan might fail.

Rob: Are you Slade's wife?

All Titans: SAY WHAT!?

Rob: Slade had a chance to bring you back... but he got the crystal instead.

Gene: My husband was a fool. I wasn't killed by someone. I killed myself.

Rob: Then how did he get the notion you were killed by some one in a cape?

Gene: I have my ways. By the way I think I'll leave you a parting gift for helping me arise. Lilly! Come Forth!

Lilly: Yes mistress.

Gene: Shoot Starfire.

Lilly: Yes Mistress.

Lilly grabs Star and holds gun to her head.

Star: Please friend Lilly, I did not mean to get kidnapped, spare me.

Lilly: As if *looks at Robin* say goodbye.

Lilly pulls the trigger and Star looks at Robin and says "I love..." and dies.

Rob: My vision. Star.... This can't be..... Star....

As Star falls to the ground some of her tears fall on Lilly. And Lilly comes back to life.

Lilly: What is going on.... AHHHHHH Gene! You will pay....

Lilly takes a knife form the kitchen table and slices some of her arm and the blood falls on Star and she comes back.

Star: LILLY DO NOT HURT ME PLEASE!!!!

Lilly: Star I would never hurt you on purpose. You're my friend and Gene is going DOWN!

Lilly flies into the air and makes the wind slash at Gene. Gene tries to dodge it but is hit. Lilly then kicks Gene in the stomach grabs the knife and kills her. Gene's body disappears.

Lilly: Hi guys *Lilly faints*

Cy: Whoa. She needs to rest.

Rob: That's a good idea.

Later Lilly has woken up

Lilly: Wow I feel better.

Cy: Yeah we were worried.

Lilly: Hey where are the girls?

Rob: Back at Maple City waiting for you.

Lilly: Well I better get going.

Rob: Wait we want you and your girls to be a branch of the Titans.

Lilly: We'd be honored.

Robin hands a communicator to Lilly.

Lilly: Thanks. Oh and Cy

Cy (comes over and says) Yeah.

Lilly kisses Cyborg and Cyborg blushes immensely.

Lilly: Don't go cheating on me. I need a steady BF don't let me down.

Cy: You got it babe.

Lilly leaves.
