**Chapter 1 - shadow darkness**

**2**

## 1 - shadow darkness

In the shadows I remain,  
only showing glowing eyes.  
in the dark of the night,  
with a pure black fur.  
not known by many,  
seen by few,  
in the shadow I remain.  
a dark being,  
a black wolf in the dark.  
in the night I remain,  
in the shadows I shall stay,  
blending with the dark,  
in eternal darkness,  
friendly but never seen,  
as a unknown help,  
also feared by many,  
by they're unknowingness.  
they fear what they don't know,  
that's the fear of humanity.  
the dark so unknown,  
a mystery to the world.  
I will stay there forever,  
so I will remain a mystery also.  
a black shadow wolf will I remain
