Chapter 1 - my rage

2

1 - my rage

I feel rage pumping in my head;
feel the anger in my brain.

I see pages,
written with blood.

I feel it burning true my vanes,
images that are too cruel,
to be seen by the outside world.
Blood dripping from my weapon,
I'm standing behind you.

Something sharp in my hand.

Blood dripping,
from the corner of my mouth.

an evil grin on my face,
laughing at your pain,
laughing at your misery.

I feel adrenalin pumping true me,
with every sound of cutting flesh.

I feel more alive in battle,

Then I ever was.

Blood staining the green grass,
strangled cries filling the air.

I stand in the middle of the field,
laughing at others pain.

I'm not the one who caused this,
you are.

You are the one that made me mad,
made the anger come to life.

You're the one who said those words,
that led me to insanity!
