## 1 - x-tra info (chapter one)

X-tra Info:

Tentative means experimental (if you didn't know)

All of my songs got messed with during the transfer off my computer to fanart, so I might also post it on another sight&. I might be willing to e-mail it to people, if wished.

To get it you'll have to comment on my profile, I'll send it to you, before I put the chapter up on fanart.

I might be willing to add more characters. (Aka YOURS!!!!)

But I need to see a picture&.

>.>

Or no character&.

I'm drawing a cover for this fanfic, but it's taking longer than I can come up with more themes or problems for this story&.

It's driving me nuts!

Any who&.

I like comments and I comment back to flammers on their profile!

(which is really fun!)

Valagra will be added in the story later, trust me!
