A little poem I just thought of about Kai and what his girlfriend would think about him.

Chapter 1 - The way I feel

1 - The way I feel

You make my day shine with happiness
Just to see your face makes me happy
I don't know what to do without you
You make my day complete
With every thing you do
It just makes me want to be with you even more
Your soft blue hair that I run my fingers through
Red glittering eyes that say I love you
Soft skin with blue triangles on your face
Muscular arms that hold me tight
Everything about you makes you great
And I feel like I'm the luckiest girl in the world
