**Chapter 1 - demise and pain**

**2**

## 1 - demise and pain

From punishment to death that I've managed to cheat  
But you still walk on me while wearing cleats  
Every step you take on me  
Inflicts more pain than what you see

I hide in my room  
Your dreadful eyes  
Trying to escape  
My miserable demise

When i come to destroy you  
I will leave you without a clue  
I'll spill your blood and watch it pour  
Watch it dripping on the floor
