Chapter 1 - You are never coming home...

2

1 - You are never coming home...

Everyone should know that life is unfair.

I have learned something: no matter how tightly you hold onto something, it always gets taken away from you.

That kind of pain that surges through your body when something terrible has happened... it hurts everywhere. No pain killer is going to stop it. Shadow Love... this one is for you.

Have you ever noticed...

That the time when you need someone the most, it was the time they had just been taken away from you?

Didn't you feel like...

That person would have and should have been there forever until the day you died?

Was it fair?

Was it a dream?

When you pinched yourself on the arm, you weren't waking up.

This pain was real.

Is that when you were going to take a knife to your chest?

But then a gentle hand stopped you?

That person could never be replaced, and you knew that...

But what if...

There was someone there to help you out? Give you courage and strength... wouldn't that help?

Even just...

A little?

What if...

One of those people...

Was the one writing this right now?

Would you give them a chance?

I know that pain. Maybe just some, maybe just a little...

But I know that pain.

The time when your chest hurts?

And you just want to break down and cry?

And you do anyways?

Especially...

When you watched that person leave you...

Forever.

You feel like you just want to end your life?

...

And now...

I have a pink flag in my hand.

One that's telling you it's going to be okay, and you know that from then on...

You are going to make it.

Definitely.

No one stands in your way...

Of the dream.

Of YOUR dream.

Whatever it is you dream...

I will dream as well.

Forever...

Will your heart go on.

But you already know that...

I know.

I just figured you might want to hear it from me.

~~~~.: IN MEMORY OF SHADOWLOVE101'S MOM :.~~~~

WE'LL MISS YOU, EVEN IF WE NEVER KNEW YOU.

GOD IN HEAVEN... PLEASE. TAKE HER UNDER YOUR WING.

Shadow Love... if you're reading this now... well, you know. I just hope you are.

Just a song that might go.

THE GHOST OF YOU --- MY CHEMICAL ROMANCE

I never, said I'd lie and wait forever  
If I died we'd be together now  
I can't always just forget her  
But she could try

At the end of the world  
Or the last thing I see  
You are  
Never coming home  
Never coming home  
Could I?  
Should I?  
And all the things that you never ever told me  
And all the smiles that are ever ever...

Ever...  
Get the feeling that you're never  
All alone and I remember now  
At the top of my lungs in my arms she dies  
She dies

At the end of the world  
Or the last thing I see

You are  
Never coming home  
Never coming home  
Could I?  
Should I?  
And all the things that you never ever told me  
And all the smiles that are ever gonna haunt me  
Never coming home  
Never coming home  
Could I?  
Should I?  
And all the wounds that are ever gonna scar me  
For all the ghosts that are never gonna catch me

If I fall...  
If I fall...  
Down

At the end of the world  
Or the last thing I see  
You are  
Never coming home  
Never coming home  
Never coming home  
Never coming home  
And all the things that you never ever told me  
And all the smiles that are ever gonna haunt me  
Never coming home  
Never coming home  
Could I...  
Should I?  
And all the wounds that are ever gonna scar me  
For all the ghosts that are never gonna.....

And... one in contrast. Shadow Love... you definitely should know this one ^.~

#### MOVE ALONG --- THE ALL-AMERICAN REJECTS

Go ahead as you waste your days with thinking  
When you fall everyone stands  
Another day and you've had your fill of sinking  
With the life held in your  
Hands are shaking cold  
These hands are meant to hold

Speak to me, when all you got to keep is strong  
Move along, move along like I know you do

And even when your hope is gone  
Move along, move along just to make it through  
Move along  
Move along

So a day when you've lost yourself completely  
Could be a night when your life ends  
Such a heart that will lead you to deceiving  
All the pain held in your  
Hands are shaking cold  
Your hands are mine to hold

Speak to me, when all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through  
Move along  
(Go on, go on, go on, go on)

When everything is wrong we move along  
(Go on, go on, go on, go on)  
When everything is wrong, we move along  
Along, along, along

When all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through

When all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through

When all you got to keep is strong  
Move along, move along like I know you do  
And even when your hope is gone  
Move along, move along just to make it through

(Move along)  
(Go on, go on, go on, go on)  
Right back what is wrong  
We move along...
