1 - The story of my love

Im looking for someone that i dearly miss and love..she took my heart a very long time ago..and now i want her back! she played an online rpg called runescape and we both quit..she had always drawn me amazing pictures on this website, and i always loved them! Her name was rebecca, and this is the last known place i can find her that she may still log on to..that was the last time i had contact with her..which was about a year ago..im trying to find her now..please spread the word throughout fan art central by creating fan art or a picture and titleing it "for rebecca" ..if you believe in true love and in soulmates, you will, and i thank your sincerely, this is my story..and my mission.
