## 1 - who will save the day

once there was a little girl called sally who lived in halloween town. she was very popular in her school. she had everything she wanted. one day her mum told her that she had bought her a cd. she played it and then went to bed that night she went to sleep. she had a terrible dream all the monsters were coming to get her.

she managed to wake her self up but instead of a empty bedroom it was filled with monsters. she wondered wot she could do.

i will call for the muffins

100 muffins came through her window and killed all the monsters they destroyed the cd and chucked out her mum. (who was really a monster)

then sally and muffins lived happily ever after. then halloween town was all safe
