1 - You're Dead to me

You re Dead to Me

By Heather Brown

I ve cried myself to sleep tonight
My love for you is gone
I ve lived my life in the past till tonight
And now I m choosing to move forward
Life as I knew it is gone
You re dead to me

You shouldn t have said that
But I m glad that you did
Now I know who you really are
Now I know how you really felt
I am not bitter
And I m not regretting meeting you
But I wish I hadn t wasted my
Days dreaming something
Of that never could happen
Never will be

I ve cried myself to sleep tonight
My love for you is gone
I ve lived my life in the past till tonight
And now I m choosing to move forward
Life as I knew it is gone
You re dead to me

You were sweet at first then I meet who you really were!

I ve cried myself to sleep tonight
My love for you is gone
I ve lived my life in the past till tonight
And now I m choosing to move forward
Life as I knew it is gone
You re dead to me

Now I know the truth
Life as I knew it is gone

You re dead to me
